As a Firm policy, Howrey does not litigate for “Patent Trolls.” The next time you are looking for representation in a patent infringement matter, ask:

“Do you litigate for patent trolls?”

Why support firms that are helping perpetuate this scourge on legitimate businesses everywhere?

Some of the clients Howrey is representing and has represented against patent trolls include:

- General Electric
- Apple
- Harris Corporation
- Toshiba
- Genentech
- Rockwell
- Kyocera
- Discovery
- Kodak
- RIM
- Verizon
- Sun Microsystems
- Leap Frog
- Qimonda

1 “Patent Troll” is an individual or company whose sole business is acquiring patents for the purpose of forcing legitimate companies to take licenses or otherwise pay money – usually through threat of litigation. “Troll Busters” is the service mark of Howrey LLP.
